BAU

BAU, the world's leading trade fair for architecture, materials and systems, combines other trade fairs, including Glasstech Asia and Fenestration Asia, on relevant focus topics in the construction industry in the BAU Network. BAU Insights supplements the BAU Network as a year-round industry platform.

Messe München

MMI Asia is a full subsidiary of one of the world's largest and leading exhibition organizers; Messe München GmbH (MMG). MMI Asia was established in Singapore in 1992 and is now embarking on a significant growth and expansion program, bringing some of MMG's world leading brands to the ASEAN market. MMG is the owner and organizer of the world's leading trade fair for Architecture, Materials and Systems, under the BAU Network, together with Glasstech and Fenestration Asia.

WHY INDONESIA?

SPONSORSHIP OPPORTUNITY

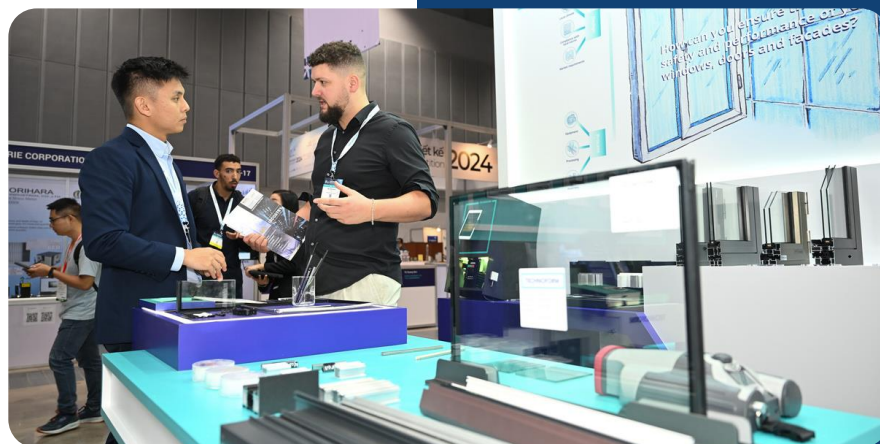

Forging Connections

Glasstech Asia and Fenestration Asia provide a platform to network with industry leaders, decision-makers, and potential clients, enabling meaningful conversations, partnerships, and business opportunities.

Brand Exposure

Sponsors gain extensive visibility through prominent logo and branding displays on marketing materials, event signage, and digital platforms, leaving a lasting impression on attendees and industry professionals.

Industry Leadership

Showcase your brand as a thought leader by sharing insights, highlighting unique value propositions, and presenting innovative solutions to buyers, decision-makers, and industry professionals.
