» bauma CONEXPO INDIA 2024 continues to serve as the cornerstone trade fair for the construction equipment industry. It creates an unmatched environment for industry stakeholders to collaborate, showcase innovations, and strengthen India's position as a global manufacturing hub. The knowledge-sharing and business opportunities here are critical for the sector's future. «

V. Vivekanand, President, ICEMA & Managing Director, Caterpillar India Pvt. Ltd.

From Networking to New Business

The Buyer-Seller Forum offers an additional opportunity to network with potential business partners — and once again proved its relevance for successful exploratory talks and deals in 2024. Result: 6,298 targeted meetings between buyers, manufacturers and distributors. Among the buyers: some of India's largest construction companies from the public and private sectors.
