

ASEAN’s Leading International Trade Fair for Laboratory, Analysis, and Biotechnology — analytica Vietnam 2027

analytica Vietnam 2027, part of the internationally established analytica network by Messe München, is ASEAN’s leading platform for laboratory technology, analysis, biotechnology, and diagnostics, connecting global technology providers, scientists, researchers, and industry leaders with Vietnam and Southeast Asia’s rapidly expanding laboratory and life sciences markets. The exhibition will take place from 31 March to 2 April 2027 at the Saigon Exhibition and Convention Center.

As an alternative to your individual application, you may also exhibit at our International Pavilion at attractive rates.

International Pavilion: Services & Benefits

Turnkey & Hassle-Free Participation

Benefit from a fully prepared, all-inclusive pavilion package including booth construction, furniture, and essential exhibitor services — allowing your team to focus entirely on business development and customer engagement.

Strategic Pavilion Positioning

The International Pavilion is prominently positioned within the exhibition, ensuring strong visitor traffic, enhanced visibility, and high exposure to regional buyers and decision-makers.

Access to Vietnam & ASEAN Markets

Connect directly with distributors, manufacturers, laboratories, industry professionals, and key buyers from Vietnam and across the wider ASEAN region within a centralised international networking environment.

Strong International Brand Presence

Exhibit under the International Pavilion umbrella while maintaining your own corporate branding and identity, benefiting from stronger collective international visibility and market positioning.

Dedicated Marketing & Promotion

Participating exhibitors benefit from:

- Pavilion-wide social media promotion
- Dedicated email marketing campaigns
- Inclusion in official press releases and publicity activities
- Branding visibility across exclusive printed pavilion materials and booth fascia

Organised by an Experienced International Exhibition Team

Benefit from streamlined coordination and onsite support by an experienced organiser, including assistance with exhibitor services, hotel recommendations, and visa invitation letters.
